

Corbin (DOB 08/03/01)

Corbin enjoys swimming, riding his bicycle and jumping on the trampoline. He also enjoys video games and is currently working part time. Corbin likes to spend his money on things that he can use as he just purchased a TV for his personal use.

Corbin is currently on an Individual Education Plan for Emotional Disturbance, although he is very intelligent and does outstanding academically. Corbin has made good progress through this IEP plan. Corbin want to attend a vocational school where he can study electronics.

Corbin has a grandmother that he keeps in contact and it is important for him to maintain this relationship.

Corbin has a strong desire to be adopted by a loving family.

Corbin is a compassionate young teen who needs lots of love and attention. Can you be the family to provide the direction and care he deserves?

If you are interested in learning more about Corbin please have your Adoption Agency contact Miami County Children's Services at (937) 335-4103 Adoption Unit.
